

TOWN OF VICTORIA PARK MUNICIPAL HERITAGE INVENTORY

List of Places June 2000

Heritage Listings

Introduction

There are a number of Heritage bodies that have prepared Inventories that list properties with certain heritage qualities. The following list is prepared in a matrix form to show which of the places in the Town of Victoria Park have been recognised by these Heritage groups. It is important to note that this list is dynamic and therefore, will require updating regularly.

The Heritage Bodies include;

- Town of Victoria Park Municipal Heritage Inventory (MHI)
- National Trust of Australia (NT)
- Australian Heritage Commission (AHC) which maintains the Register of the National Estate.
- Heritage Council of Western Australia (HCWA) which maintains the Register of Heritage Places. The five digit number in the HCWA column is the Database number applied by the HCWA – this does not automatically mean that the place is on the State Register of Heritage Places.
